NOTE.—The State Highway to the Whitefield line, about one and one-fourth miles, has been completed, at a cost of \$5,228.34. This makes a continuous State road from Whitefield to Northumberland. Last spring there was a misunderstanding between the State Highway Department and the Selectmen, so there was raised only \$2,400, when the amount should have been \$2419.50, for the Highway Joint Fund of \$6,048.75 and \$222.66 for the maintenance Joint Fund of \$556.66, and we had to set aside, for these two amounts, out of other highway money, \$242.16. This makes the overdraft that much more than naturally should have been.

Town School District.

We can report the work accomplished in our ten schools for the three terms just closed as exceptionally good, with an excellent corps of teachers, although in some the attendance has not been up to the average desired. We would ask the parents to co-operate with us by insisting upon punctuality and constant attendance of their children whenever possible, thereby raising the standard of the school; also to visit each term, so as to know by observation the existing conditions.

At the request of the parents of the scholars in district formerly No. 3, we have made arrangements with the Union District to have these scholars schooled for one year. So far this has been very satisfactory, for most of the scholars are near and the average attendance has been improved.

We annex the summary of orders drawn for the year as a basis of estimate of expenses for the coming year:

The Lancaster Public Library is open Tuesday, Thursday and Saturday from 1 to 4 and from 7 to 9 P. M. for the delivery of books. The reading rooms are open the same afternoons and every evening except Sunday. There are now 8,747 volumes in the library. Thirty periodicals, two daily and two weekly newspapers are subscribed for for the reading rooms; also one daily newspaper, two weekly and one monthly publications are contributed. The reading rooms are well patronized, especially by students from the High School, who freely use the reference books in preparing their essays, debates, etc. 1,102 readers' cards are on file, and 12,527 books were loaned in the last year, only 1,357 being non-fiction.

MARTHA W. BRACKETT,
Librarian.

It has been necessary to make some permanent repairs involving quite an expense, viz.: The valuable collection of birds which the late George P. Rowell presented to us in 1902 needed looking over and classifying by an expert. We also wired Wingate Hall for extra light. As our Library has increased in the number of books, we have had the expense of more shelving. We have likewise carpeted the stock room.

We have received a present of a very valuable clock from Mrs. Rowell in memory of her husband, the late George P. Rowell.

Respectfully submitted,

JARED I. WILLIAMS,
Treasurer.
